**Assisted Living Administration and Management Review** Darlene Yee-

Melichar 2021-11-23 "This book is a must-have resource for anyone preparing for RC/AL licensure...The book provides both regulatory and day-to-day operational questions that will allow current and future leaders in long-term care and assisted living to be successful senior leaders in the senior care field." ---Doody's Review Service, 3 stars  
Contains more than 300 practice questions and answers! Assisted Living Administration and Management Review is the first practical question-based study guide for anyone preparing for certification or licensure exams in residential care and assisted living (RC/AL) administration. Organized according to the original five domains of practice established by the National Association of Long-Term Care Administrator Boards (NAB) and used in Assisted Living Administration and Management: Effective Practices and Model Programs in Elder Care, Second Edition, the book reflects the type of questions seen on the state and national exams. Answers and brief rationales have been provided in a final chapter organized according to the five domains of practice or knowledge areas of responsibility - Organizational Management, Human Resources Management, Business and Financial Management, Environmental Management, and Resident Care Management. Written by certified assisted living administrators and licensed health professionals and featuring questions relevant to all state-based exams, this is the authoritative study guide for anyone seeking professional certification/licensure in this growing line of service. The review begins with a comprehensive introduction to the current professional landscape of residential care and assisted living administration in addition to coverage of the different certification and licensure programs available. The following domain-based chapters feature multiple-choice, single-best answer questions, covering all core knowledge areas of responsibility that one is likely to see when taking state or national exams. Containing over 300 practice questions with rationales to encourage self-assessment and further learning, this is a must-have resource for students and professionals seeking RC/AL administrator certification or licensure. Key Features: Over 300 multiple-choice, single-best answer questions with answers and rationales Prepares students to study for Residential Care/Assisted Living (RC/AL) administrator certification and licensure exams administered at the state or national level Organized according to five domains of practice - Organizational Management, Human Resources Management, Business and Financial Management, Environmental Management, and Resident Care Management Written by certified assisted living administrators and licensed health professionals Purchase includes digital access for use on most mobile devices or computers

*American Government* Scott F. Abernathy 2018-11-14 "The main strength of this book is that it presents a 'human' side to American Government that challenges students to think critically while still presenting the 'teaching' side with objectives, self-tests, and chapter reviews." —Kathleen Barrett, University of West Georgia In the Second Edition of *American Government*, author Scott F. Abernathy tunes in to the voices of all Americans, showing how our diverse ideas shape the way we participate and behave, the laws we live by, and the challenges we face. From the Constitutional Convention to Ferguson, Missouri, each chapter features rich, personal narratives that illustrate how the American political system is the product of strategies, calculations, and miscalculations of countless individuals. It focuses on real people, the actions they take, the struggles they face, and how their choices influence outcomes. The key concepts are memorable because they are tied to real politics, where students see political action and political choices shaping how institutions advance or impede the fulfillment of fundamental ideas. Participation is at the heart of this groundbreaking new text, with ample background on how and why to participate. Not only will all students see themselves reflected in the pages, but they will come to understand that they, too, are strategic players in American politics, with voices that matter.
