FM-TV Radio Communication 1951

Audio-Video Buying Guide Consumer Reports 1994 In the crowded, confusing, and expensive marketplace of electronic products, potential buyers can turn to this guide for reliable advice and practical information on all kinds of equipment, from cellular phones to TV sets. Features Consumer Reports ratings for over 500 products and a brand-name directory.

E-ITV. 1986

Popular Science 1995-11 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

The Web Development Glossary 3K Jens Oliver Meiert 2023-07-27 The Web Development Glossary is the largest of its kind. With more than 3,000 terms and explanations ("3K"), it is the book to try and extend your web development and web platform knowledge. The glossary covers key terms and concepts of the Web, beginning with HTML, CSS, JavaScript, accessibility, security, performance, code quality and testing, internationalization, localization, frameworks and editors and tooling. The glossary then includes other disciplines of interest and relevance to the modern developer, like computer science, design, typography, usability and user experience, information and project management and more. It goes beyond web development to feed all your curiosity, about the Web and the technologies and processes used to build it. And still it is a glossary, of several thousand terms for developers, based on careful research as well as established sources, like Wikipedia, but also MDN Web Docs. This new edition of The Web Development Glossary includes almost a thousand additional terms as well as major usability updates, like improved source and cross-reference navigation.
