For fans of Sylvia Day and E.L. James, the second book in the New York Times bestselling Blackstone Affair series. Ethan Blackstone has a problem on his hands. He's broken Brynne's trust and she's left him. He's unwilling to live without her and isn't giving up—he's dead-set on getting his beautiful American girl back. The passion between them was explosive, but the secrets they hid from each other are dark and chilling and are powerful enough to destroy their shot at a life together. With political threats now directed at Brynne, Ethan is running out of time and he'll

need to gather all his strength and agility to protect her from the dangers that could take her away from him forever. Will Ethan be able to save Brynne from a past that keeps her locked in fear? Will he ever feel the warmth of her touch, the solidity of her trust again? This is a love-struck man who is willing to do whatever it takes to possess the heart of the woman he loves. He'll go to any lengths to protect her. He'll go all in. Here is the fiery story of what happens when two people surrender to a love so great it can heal the scars of the past and give way to a life of pure, rapturous ecstasy.

Filthy Lies Raine Miller
2018-06-23 On the day I turned fifteen years old I knew I loved

James Blakney. There was a look in his eye that told me he'd finally noticed I existed in a realm beyond best-friend's-much-younger-off-limits-don't-even-think-about-it-little-sister. Call it womanly intuition, despite the fact I was barely qualified for being an actual woman at just fifteen-and only in the biological sense-but still, I knew I loved him. What I never expected from him was a proposal of marriage nearly eight years later. I know it's not supposed to be a real marriage, but James is certainly making it feel that way. He's also hiding something from me. But I've hidden the truth from him as well. Lies. So many filthy lies. ~Winter Blackstone

Eyes Wide Open Raine Miller
2013-08-20 Following *Naked* and *All In*, in the third part in the Blackstone Affair series Brynne and Ethan find their life together riddled with conflict. Big surprises are on the horizon for Ethan and Brynne as they struggle to adjust to what life has thrown at them. Demons from the past are

A truly devastating loss coupled with the promise of a new hope opens their eyes to what is most important, but is it possible for the lovers to move on from the painful histories that continue to haunt them? Still lurking in the shadows is a stalker, plotting evil amidst the distraction of the London Olympic Games. Brynne and Ethan are on the cusp of losing everything as the stakes rise. Will they yield to circumstances beyond their control or will they give every ounce of fight they have left to save each other and win the ultimate prize of a life together? *Eyes Wide Open* is a passion-wrought story that shows us what pure love can achieve when tested, and what the heart can accomplish, despite danger and adversity.

Filthy Rich Raine Miller

2016-11-15 The very first time I saw Brooke at the coffee shop, I couldn't take my eyes off her. Like a stalker, I watched to see where she worked so I could find her again. I don't know how I knew she was someone special, but I did feel it that very first time, without a doubt. It wasn't until our paths crossed a second time and she spoke to me that my world tilted. Something momentous happened when I heard that lovely British accent come out of her pretty mouth. I

don't know why a need to know her gripped me fiercely, but it did. A need greater than anything I'd ever experienced in my busy corporate life at the helm of Blackstone Global Enterprises, making deals with a big line of zeros after the first digit. I soon learned Brooke came from a world completely different from everything I had ever known in the privileged circle of New England high society in which I was raised. I did not care that we came from vastly different worlds and backgrounds. When I discovered we had an old family connection, it became clear that this was so much more than a chance meeting bringing us together in the same space at the same time. It was fate. She was also the very first woman I'd ever met who was completely underwhelmed by my wealth and status. So I made her an offer to redesign my home, because what sane, broke British girl turns down a job that will solve all her financial worries overnight? Thankfully, she didn't turn me down. But fate or not, Brooke

wasn't looking for love or anything else she might get from me because she'd learned the hard way just how much damage the wrong guy could do. What started between us as a silly flirtation over a plate of meatballs quickly turned into an all-consuming passion and the obsession to make her mine. Forever. Because I'm going to marry that beautiful girl from England, and she will be mine. -Caleb Blackstone

Priceless Raine Miller
2014-08-31 Ivan Everley, 13th Baron Rothvale, would admit he's the last person on earth who should have custody over a priceless collection of art. British law affords him the title of 'Lord, ' but underneath all the trappings he's just a regular guy, despite being a world champion in archery, and certain...proclivities of a private nature. But Ivan's public celebrity is merely a

sham—a carefully guarded secret borne out of the pain of betrayal. Even his cousin Ethan Blackstone doesn't know the truth behind the man he considers a brother. Lord Rothvale has a plethora of problems piled up to his aristocratic eyeballs, but that doesn't stop him from complicating his world further when a beautiful art conservationist shows up to appraise his inherited collection of paintings. Once Ivan gets a taste of Gabrielle Hargreave, mistaken identity or not, he can't think of anything but how good the green-eyed beauty felt in his arms. The chase is on, and Ivan's dominant side isn't taking 'no' for an answer—but yet, Gabrielle might just teach our discontented lord a thing or two about life, and about himself, and help them both discover the undeniable truth in what it means to find something genuinely... priceless.
