A Guide to Speleological Literature of the English Language Diana E. Northup 1998 "This is a family story of America's most famous cave explorer who was trapped and died in Sand Cave in 1925. That story has been told many times, but never before has the complete life of Floyd Collins been presented. Floyd's younger brother Homer tells how Floyd was fascinated with caves from his childhood, of his discovery of the famous Crystal Cave on the home property, and of the rescue attempts from the viewpoint of a brother so devoted that his extraordinary efforts to save Floyd were rewarded by his being removed from the premises while others inexperienced in working in caves carried on the unsuccessful attempt. It is a warm story of a man whose love in life was exploring caves, a man who endured his grim death with dignity and pride in his vocation."--Page 4 of cover
