The infoWorks Partnership announces the release of the first book committed to bringing the communities of the world onto the information superhighway. The book is dedicated to providing the necessary information persons & organizations need to design & operate these local on-line services in any community around the world. A sampling of the topics covered in the book include organizational structure, revenues, budgets, expenditures, personnel, hardware & software acquisition, user support, working with Internet providers, development of World Wide Web sites, system security, comprehensive & strategic planning, & research & evaluation. Many sections contain tools used in practice such as questionnaires & interview schedules. Anyone that is currently operating an on-line service in a community of any size should have this book residing on their desktop. It will also be used as supplemental reading for college & university courses in library & information sciences, public

administration, urban & regional planning, & related fields. The on-line market continues to grow & evolve. Communities, colleges, & organizations need a resource to make sense of the changes & designs necessary to guide a community through this information highway maze. COMMUNITY INFORMATION SERVICE MANAGEMENT GUIDELINES does just that. To order contact: Infoworks Partnership, 800 Vinial St., Suite B312-313, Pittsburgh, PA 15212-5100. Phone: (412) 322-5790.
