The Intercessor's Guide Raymond Chapman 2007 Intercessory prayer is a key part of the liturgy of the Eucharist. Intercessory prayers need to reflect a response to the preached Word and topical concern for the world and need to be prepared afresh for each service. Intercessory prayer is also known as 'the prayer of the people' and is often said by a member of the congregation, not a priest. For anyone with this ministry in their local church, here is a complete companion handbook that includes: a simple theology of intercessory prayer; an explanation of its purpose within the liturgy and its relation to the readings of the day; the difference between public and personal prayer; a guide to writing intercessory prayers that connect with the whole service; technical advice: use of language, addressing God, vocal expression; common errors to avoid: excessive length or detail, breaches of confidence; prayerful preparation; using other resources; developing a personal style; and, ready to use intercessory prayers.

Accountability in Missions Jonathan J. Bonk 2011-10-21 The Korean missions movement is perhaps the most significant story of the Church in the world over the past one hundred years. Today Korea can boast of being the leading sender of missionaries per head of population. Yet this movement has not been well integrated into the global mission community and also this community has at times failed to understand and learn from this tremendous work of God. I am excited that God has brought together a unique body of people to wrestle with these issues. This work will help bring about much needed collaboration and develop each other's strengths in an environment of mutual respect. --MALCOLM L. MCGREGOR, SIM International Director Accountability in Missions is a remarkable book, exploring the full range of mission accountability issues--strategic, financial, and relational--from both Korean and North American perspectives. This is global missiology made practical and accessible to all missions practitioners. The many articles that penetrate the mysteries of Korean and North American interaction especially make it a must-read book for all Koreans and North Americans working together. --STEVE STRAUSS, Professor of Mission and Intercultural Studies, Dallas Theological Seminary This collection of essays provides a biblical and theological basis for accountability and brings voices East and West, demonstrating that accountability--to God and to others--is a universal principle, not linked to one culture or context (i.e., Western). Further, the collection is eminently practical, addressing matters of governance (decision-making), finance, and personal integrity. To all mission leaders I say: read this book! Actually, read it but also find colleagues with whom to discuss and digest these principles and review our mission practices. --GORDON T. SMITH, President, reSource Leadership International

Intentional Intercession Sherry Weddell 2026-02-02 Discover the kind of prayer that changes everything. In *Intentional Intercession*, bestselling author Sherry Weddell (Forming Intentional Disciples) reveals a transformative truth hidden in plain sight: Jesus Christ is actively interceding for the world at every moment — and he invites you to join him. Far from routine petitions or memorized devotions, apostolic

intercession is bold, outward-facing, and deeply aligned with God's saving purposes. Drawing on Sacred Scripture, the Catechism, the wisdom of the saints, and astonishing real-world stories, this book shows how we can become powerful collaborators in Christ's mission through intentional, Spirit-led prayer. If you've ever longed to see God move — more visibly, more powerfully, more personally — in your life, your parish, and the world, this book is your invitation. Step into your role in the communion of saints. Pray as Jesus prays. And watch what happens when you dare to ask for more.

The Beginner's Guide to Intercessory Prayer Dutch Sheets 2008-04-01 Learn to Make Prayer Simple and Effective What is intercessory prayer? How does a person become an intercessor? When you don't know where to begin, start with the basics! In *The Beginner's Guide to Intercessory Prayer*, you'll learn to find your motivation for prayer in the power of love by first and foremost experiencing a lasting relationship with God as Father and friend. As Dutch Sheets lays the foundation for our motivation to pray, he teaches that our relationship with Christ doesn't need to be complex--it can be a simple act of pure devotion. In *The Beginner's Guide to Intercessory Prayer*, you will learn the 13 "P's" of intercession, which include priority, pleasure, plan, and pain, and be challenged to practice what you have learned through the "Did You Understand" questions at the end of each chapter. Make intercessory prayer a part of your life by learning to pray effectively, by learning to pray alone and in groups, and by persisting in prayer.

Prophetic Prayer Journal (Facilitator) 2020 Ramona Brown 2019-12-28 Prayer is without a doubt a very important part of ministry for every believer and the church especially in the days we are living. When we pray we come to understand the mind and redemptive will of our Lord for our lives, specific situations, and the will of God for our family, church, community and nation. "The Church's greatest deficiency today is in power not in programs, strategies, materials or ideas. And power for ministry can be released only through prayer." Prayer should not be mechanical or burdensome. But fulfilling, powerful, consistent, relevant, cutting edge and a benefit for all; it is our desire for every person who uses this prayer journal to receive a fresh impartation in your prayer life that will infuse His Glory and breathe, and His love into your relationships. We anticipate the rewards that will come to you when you use this prayer journal and while you make a commitment to discipline your life in prayer.
