Pearson Etext Conceptual Integrated Science Access Card Paul Hewitt 2019-04-23 Emphasize concepts and enable students to connect ideas across the sciences. The best-selling Conceptual Integrated Science provides an engaging overview of physics, chemistry, earth science, astronomy, and biology at a level appropriate for non-science students. Hewitt's engaging narrative emphasizes unifying concepts across physical and life sciences through a clear, friendly writing style, and fun, relevant examples that motivate students. The 3rd Edition expands on its theme of integration and deepens connections between the sciences with new Integrated Science spreads added at the end of each part. Modern references in the updated Technology boxes and new contemporary applications add relevance and help to connect science with students' everyday lives. Enhanced End-of-Chapter problems engage students with interactive digital features accessible in the Pearson eText and guide them with wrong-answer feedback, where and when they need it. The eText features Hewitt's video tutorials that play

inline, new Check Yourself from the text presented as a hide/reveal interactive feature, and multiple-choice quizzes at the end of each chapter. For courses in integrated science and physical science. Pearson eText is a simple-to-use, mobile-optimized, personalized reading experience. It lets students highlight, take notes, and review key vocabulary all in one place, even when offline. Seamlessly integrated videos and other rich media engage students and give them access to the help they need, when they need it. Educators can easily schedule readings and share their own notes with students so they see the connection between their eText and what they learn in class -- motivating them to keep reading, and keep learning. And, reading analytics offer insight into how students use the eText, helping educators tailor their instruction. NOTE: This ISBN is for the Pearson eText access card. For students purchasing this product from an online retailer, Pearson eText is a fully digital delivery of Pearson content and should only be purchased when required by your instructor. In addition to your purchase, you will need a course invite link, provided by your instructor, to register for and use Pearson eText.
