Current Topics in Language and Literature

Nataša Bakić-Mirić 2019-03-25 This volume brings together 15 peer-reviewed papers which discuss numerous current topics in language and literature. It synthesizes various contemporary practical topics in post-secondary education written by active researchers and practitioners in their respective areas. By using research methods such as mixed methods, case studies, discourse analysis, grounded theory and the repertory grid, the contributors offer insights into the ways in which higher education continuously changes and evolves to face constant challenges resulting from new instructional practices. Taking this into consideration, this book will help educators, researchers and students to keep up with these changes, and to stay aware of contemporary issues relating to post-secondary education.
