Readicide Kelly Gallagher 2009 Reading is dying in our schools.

Educators are familiar with many of the factors that have contributed to the decline--poverty, second-language issues, and the ever-expanding choices of electronic entertainment. In this provocative new book, Kelly Gallagher suggests, however, that it is time to recognize a new and significant contributor to the death of reading: our schools.

Handbook of Research on Supporting Social and Emotional Development Through Literacy Education Tussey, Jill 2021-06-25 The social and emotional welfare of students in both K-12 and higher education settings has become increasingly important during the third decade of the 21st century, as students face a variety of social-emotional learning (SEL) challenges related to a multitude of internal and external factors. As concepts around traditional literacy education evolve and become more culturally and linguistically relevant, the connections between SEL and academic literacy opportunities warrant considerable exploration. The Handbook of Research on Supporting Social and Emotional Development Through Literacy Education develops a conceptual framework around pedagogical connections to social and emotional teaching and learning within K-12 literacy practices. This text provides a variety of research and practice protocols supporting student success through the integration of SEL and literacy across grade levels. Covering topics such as culturally relevant literacy, digital literacy, and content-area literacy, this handbook is essential for curriculum directors, education faculty, instructional facilitators, literacy professionals, practicing teachers, pre-service teachers, professional development coordinators, school counselors, teacher preparation programs, academicians, researchers, and students.
