

A Practical Guide To Ubuntu Linux 4 E

If you say that a person is practical, you mean the person behaves in ways that relate more to the realities of the world than to ideas or desires: practical: Of, relating to, governed by, or acquired through practice or action, rather than theory or speculation. The meaning of PRACTICAL is of, relating to, or manifested in practice or action : not theoretical or ideal. How to use practical in a sentence. Practical refers to a person, idea, project, etc, as being more concerned with or relevant to practice than theory: he is a very practical person; the idea had no practical application. A stapler is a practical object — it has a use. A hand-crocheted stapler cozy designed to keep a stapler warm at night? Not practical at all. Practical definition: Of, relating to, governed by, or acquired through practice or action, rather than theory or speculation. PRACTICAL definition: of or relating to practice or action. See examples of practical used in a sentence.
