

Any Do User Guide

Use the word any when you're talking about every possible quantity of something — whether it's one, a few, or many. You might ask an ice cream truck driver, "Do you have any ice cream sandwiches?" To even the slightest extent, at all. I will not remain here any longer. If you get any taller, you'll start having to duck through doorways! Any refers to one or more things or people without restriction or specification. It is a term used to denote inclusivity or universality, encompassing everything or anyone without exception or ambiguity. You use any in positive statements when you are referring to someone or something of a particular kind that might exist, occur, or be involved in a situation, when their exact identity or nature is not important.
