Firefighter Exam and Interview Prep William Peltz 2016-01-01

Firefighter Exam and Interview Prep helps candidates prepare for every area of the career fire service entry-level

examination, regardless whether the exam is written, video, or computer-based and regardless of test publisher. It helps individuals who have only begun contemplating whether to become a firefighter as well as people who have some experience in the application process. It is the only prep book that explains psychology evaluation questions and science concepts, and it is the only one that contains an extensive math remediation section. Written in a clear, easy to understand style, Amatrudo and Peltz offer proven, score-raising, test-taking strategies. Sample questions and practice tests are accompanied by explanations as to how the

correct answers were obtained.

This book also helps the applicant begin to prepare for the interview. Written by a highly respected officer and instructor in the career fire service and an award-winning master educator with specialties in the application of brain science and high stakes test taking, this book strives to create the best prepared, best informed applicant possible.
