*McGraw-Hill Education TABE Level A, Second Edition* Phyllis Dutwin 2016-04-29 Master All Subjects on the TABE Level A Whether you hope to enter college, take a job with the government, or work for a private company, a high score on the TABE will help you reach your goal. Written by leaders in adult education, this book is designed to help you sharpen the skills you need to succeed on all sections of the TABE. You'll discover the strategies that make learning and test-taking easier for you. And you'll learn essential skills by using familiar, everyday items, including work documents, job postings, letters, and telephone messages. This book includes:

- Practice questions just like the ones on the test--with complete explanations for every answer
- Real-life materials and examples to help you build the skills you need
- Complete coverage of all test topics, including reading, mathematics, language, and spelling
- Strategies that show you how to work smarter, not harder--and get the most out of your study time

About the Authors Phyllis Dutwin, MA, is president of Dutwin Associates, consulting with major publishers in developing books for adult students. Richard Ku, MA, has taught mathematics at the secondary level since 1985 in both private and public schools and is the author of several test-preparation books. Carol J. Altreuter, MEd, has more than two decades of diverse experience in adult education. Kathleen A. Peno, PhD, is a professor in the School of Education at the University of Rhode Island.
